Sir,

I have the honour to inform you that the Fire Engine requires cellulose spraying. I enquired of the various local firms who have the necessary apparatus and I find that it would be much cheaper to get the spraying done by the Fire Engine staff.

I enclose herewith an estimate for Rs. 167-13-0. Adding about 5% to this estimate for miscellaneous charges, I request that sanction may be accorded to get the spraying done at a cost not exceeding Rs. 175/-.

2. The expenditure can be met from "M.A.T. 26 A-Police District Executive Force Contingencies - office expenses and miscellaneous" cost of upkeep of Fire Engine in the current year's Budget.
